February 23, 2011

Mr. Cliff McClure
1 Panther Way
Paxton, Illinois 60957

Dear Principal or Guidance Counselor,

The Iroquois County Law Enforcement Association is sending you our application forms for the 2011 scholarship. We would appreciate making them available to any senior who resides in Iroquois County and is interested in the field of Law Enforcement. With your help we can assist a graduating senior with funds that may be used to assist with tuition, books, transportation or any other school expenses. The student must actually live within the boundaries of Iroquois County at the time of applying for the scholarship. The student is simply required to maintain a passing grade average in law enforcement related studies. A total of \$1000.00 over four semesters will be awarded to the selected student.

We have assisted 36 students over the life of the scholarship and hope to be able to help even more. Our organization appreciates your assistance in making these forms available to the students. If the enclosed forms are not enough, please copy one of the blank forms. Any questions should be addressed to Charles Potts, 540 West Blue Street, Sheldon, Illinois 60966.

The Scholarship Committee may contact each school principal to check on personal financial need and school background information. Where possible, we would like to assist the student most in need of financial aid. Forms must be returned by April 11, 2011 and the Committee will select the winners by April 20, 2010. The applicant will be personally notified of the results. We will also try to notify your office so the Scholarship can be announced on your school's awards night.

As usual, we thank you for your assistance in helping our organization provide application forms to your students.

Yours,

Charles O. Potts
ICLEA Scholarship Committee Chairman
