### **\$500 for one student**

The basic principles of the Masonic Lodge are brotherly love, relief, and truth. Masons believe that people should show love and compassion towards each other. They should be honest and straightforward in all their dealings with each other. And, most importantly, people should be charitable; always willing to relieve the distress of others.

We are looking for a student who shares these ideals and has in some way demonstrated their care for others. The student needs to be well motivated and has shown the ability to complete difficult tasks. We wish to support a student who believes they can successfully complete further education.

The purpose of this scholarship is to offer financial assistance to a student who genuinely desires to further his/her education. The student needs to have a GPA between 3.5 and 5.0.

To apply for this scholarship the student needs to write a short essay telling us why they should be considered. They also need 2 recommendations from adults who can testify to the applicant's character and how he/she has demonstrated our ideals. One adult can be a teacher. The other adult should be someone with which the student has developed a significant relationship, such as; employer, minister, club advisor, or family friend.

Essays and recommendations are due by April 1 to the PBL Guidance Office.

Sincerely,

Paxton Masonic Lodge #416
