

PBL Junior High 6th Grade Supply List 2011-2012

1. 48 plain #2 pencils (to be collected by teacher and passed out on Monday mornings as needed. No names necessary) (Ticonderoga work best!)
2. 48 pens – variety of colors (To be collected by teacher and distributed as needed. No names necessary)
3. Calculator (label with name)
4. Zipper pencil bag
5. 2 packs of wide-ruled notebook paper
6. Agenda for assignments (Sold at registration for \$3.50. Recommended!)
7. 4 large dry erase markers (low odor, chisel tip, bright colors)
8. Accordion Folder to organize assignments. It will not last the whole year so buying more than one while they are on sale is our suggestion.
9. 4 Composition Notebooks (exp. Mead black marble)
10. Colored pencils
11. 1” (3 ring) soft/flexible binder

Students will have to keep all belongings in their locker, so they may purchase a lock. If purchasing a lock, we recommend one you can program easily, rather than several numbers to remember. The students will have to memorize a p.e. combination, lunch number, and library code, which can get confusing. You must provide your teacher with an extra key or combination.

SUGGESTION: Please bring deodorant and body spray to keep in P.E. locker and replenish mid-year!
