Russ Leigh addressed the Board with regard to FY 2010 audit. He went over his management letter and stated there were no findings in this year's audit. Mr. Leigh advised that PBL is still in fairly good shape from a financial standpoint. However, the Operations and Maintenance Fund and Transportation Fund will be challenging in the future on how to meet positive balances at the end of this fiscal year. He went over the Education Fund and compared last fiscal year's ending balance with this fiscal year's ending balance and stated the Education Fund has over \$13,000,000 in operating expenses which is a lot considering the District only has \$3,387,000 in reserves. The District will need to stay on top of the expenditures and rely heavily on its treasurer's report to keep keenly aware of its expenses. Mr. Leigh stressed that it is very important for the District to expend what is in the budget or less and not go over. He stated there are potential shortages for the Operations and Maintenance Fund as the fiscal year draws to a close. Mr. Leigh advised that the big threat is the District's Transportation Fund. He stated this fund could be in significant jeopardy if the State cuts even 1-2 payments again this year. Mr. Leigh stated the District is going to have to come up with some creative financing to keep this fund operational and will require heavy management. He suggested that the District could lower its levy for the IMRF Fund as the levy needs to reflect what the expenditures are and not to increase the balance of this fund. In closing, Mr. Leigh stated he does not care for the Skyward financial management software as it does not produce the reports that he prefers. He stated the audit was very clean and neat.

Russ Leigh left the meeting at 7:33 p.m.

Mr. McClure informed the Board that the District will need to share the intergovernmental agreement with its attorney prior to it being finalized. Mr. Young feels the District needs to see the Park District's counter as soon as possible, and then the District either needs to re-counter or hold firm.
