

2011 Water List

We have approximately 60 team members, and we need to supply each with a bottle of water after every meet. We hope parents can help by signing up to bring a case prior to our home and away meets. We need 3 cases per meet, therefore if 3 different families can sign up, that will work GREAT.

I will post this list on the team website for reference. We will NOT need water for the PBL Invite and the Sectional as I purchase enough for every team, including ours, for these two big meets.

Water can be sent in advance, so it can be iced.

We thank you in advance for helping our team! Coach Brehm and Coach Pacey
