

**RELEASE OF STUDENT INFORMATION TO MEDIA VENUES/
SCHOOL DISTRICT WEB SITE**

Paxton-Buckley-Loda Community Unit School District No. 10 strives to celebrate our student and school successes through the utilization of a variety of media resources including our school district web page. In order to comply with the regulations of the freedom of information act and student privacy legislation we require parental permission to release student information. As a school district we are aware of the need to exercise stringent security when using the school district web page to post student and school successes, but also believe the web page can enhance communication to parents, students, and the general public.

Given these considerations, please check off the categories you wish to approve for your child(ren), sign and return the entire form to the Principal's office.
