

SANGAMON VALLEY CONFERENCE

VOLLEYBALL PROJECTION 'A'
 SATURDAY (5), TUESDAY (3), THURSDAY (2), SATURDAY (3)
 SINGLE SITE

First consideration is to play at one site to create tournament atmosphere.

Second consideration is to rotate sites yearly.

Third consideration is to set matches realizing that one team could play in matches 1, 5, 6, 8 & 11.

Fourth consideration is to play on basic volleyball dates - Saturday, Tuesday, Thursday, & Saturday.

Fifth consideration is to avoid conflicts with football dates on Monday and Friday.

Sixth consideration is to avoid play on Wednesday.

Seventh consideration is that no team is eliminated on first day.

Eighth consideration is to see option 'B' that eliminates Tuesday and has winners bracket semi-finals on last day.

This option 'A' has an extra night for increased gate (???) and play during week for championship bracket.
